Summary

Python developer with 4+ years of experience in designing and delivering high-quality applications. Proficient in Python frameworks like Flask and Web Technologies, with strong skills in debugging, troubleshooting, and in collaborating with cross-functional teams.

Technical Skills

Programming Languages: Python
DataBases: MySQL
Frameworks and Libraries: Flask
Version Control System: Git
Development Methodology and Tools : Agile SDLC, JIRA

Professional Experience

Tata Consultancy Services Ltd.   **April 2021 – Present**
Python Developer   *Pune, India*

- Developed and maintained scalable web applications using **Python** and **Flask** web framework.
- Designed and deployed **REST APIs** for client-facing systems, improving integration efficiency by 25%
- Integrated RESTful API services, enabling seamless third-party data integration and expanding the application's functionality for end-users.
- Optimized database queries using **SQLAlchemy ORM**, reducing query times by 40% and improving overall application performance.
- Worked on debugging and code optimization to improve the overall efficiency of the application.
- Contributed to the creation of modular, reusable code libraries resulting in faster development cycle times by 25%.
- Optimized SQL queries in **MySQL database** to handle large datasets efficiently, resulting in 30% faster response times.
- Participated in daily standups, sprint planning, and code reviews as part of the Agile team.

Personal Projects

BlogStream: Full-Featured blog Web App

Technologies: *HTML, CSS, JavaScript, SQLite, Flask, SQLAlchemy-ORM.*

- Developed a full-stack blogging application with user authentication, post creation, editing, and deletion features.
- Implemented database models using SQLAlchemy ORM for efficient data management.
- Designed responsive front-end layouts with HTML, CSS, and JavaScript for better user experience.

Awards & Achievements

- **Employee of the Month Award –** Honored for outstanding contributions to the team and consistently delivering high-quality results.

Education

Savitribai Phule Pune University   **Aug 2016 – May 2020**
Bachelor of Mechanical Engineering   *Pune, Maharashtra*
